

Shell Canada Limited

Shelburne Basin Exploration Drilling Project

EXPRESSION OF INTEREST (EOI): Incident Preparedness Equipment

Bids Category: 0200, 0900, 9300, 9400, 9700

Package number: SHELL 26

Issue date: July 2, 2014

Closing date: July 16, 2014

Closing time: 1:00 pm ADT

GENERAL

In association with the acquisition of Exploration Licenses 2423, 2424; 2425, 2426, 2429 and 2430 located 350 km south of Halifax offshore, Shell Canada Limited (Shell) has committed to carrying out an exploration drilling program within an initial 6-year exploration period commencing on 1 March 2012. It is Shell's current intention to drill up to 3 exploration wells in these exploration blocks commencing approximately May 2015.

Shell is committed to ensuring that full and fair opportunity is provided to Nova Scotia and Canadian companies through employment, procurement and contracting.

As part of the Project, Shell requires provision of incident preparedness I equipment and supplies.

SCOPE OF WORK

Shell is seeking qualified contractors to provide the following equipment and supplies for its proposed Project:

- Corexit 9500 – Offshore Dispersant Kits
- Offshore In-Situ Burn Kits compatible for area met-ocean conditions
- Offshore Skimming System compatible for area met-ocean conditions
- Offshore Boom

EXPRESSION OF INTEREST REQUIREMENTS

Shell will select qualified bidders from respondents to this EOI.

Interested firms are requested to provide a brief Company profile, contact details, key personnel and a summary of related experience including Nova Scotia and Canadian capabilities.

Pre-qualified companies will be required to complete a Contractor Local Implementation Plan, and demonstrate their commitment to and compliance with Shell requirements regarding Canada–Nova Scotia Benefits.

BID SCHEDULE

Expressions of Interest must be received on or before **July 16, 2014 1:00 pm ADT**

A Request for Proposal (RFP) may be issued to a list of qualified bidders chosen from the responses to this EOI. Issue of the RFP is expected around late July 2014 and award of contract around late August 2014.

All inquires and Expressions of Interest (electronic format only) must be clearly marked with the EOI reference number and should be directed to:
